### What is the Entertainment book?

### What is the Entertainment Digital Membership?

The Entertainment™ Digital Membership offers exactly the same amazing discount vouchers, but it is an app that is stored in your smartphone.

### How long do the discounts last for?

The discount offers are valid from the launch date in early April 2018 and can be used right up to 1 June 2019. There are also some early bird offers that can be used from now and up to the 1 June 2018.

### Why are Newlands School selling the Entertainment book memberships?

For every entertainment book that is sold through our ordering page, the school receives \$13.00 towards playground equipment. It is a relatively simple fundraiser for the school participate in as it requires a very small amount of administration time to run, with purchasing procedure all online.

### How much does the entertainment book membership cost?

Both the entertainment book membership and the entertainment digital membership cost \$65.00 each. It is estimated that the amount of savings included in the memberships is \$20,000. It doesn't take long for the cost paid for the membership to be recouped through the discount offers. For example, if you went out for dinner using the 'receive one complimentary main course when another main course of equal or greater value is purchased' offer, you have made approximately \$35-\$45 saving. After going out to dinner twice, you could have paid back the cost of the membership and all other offers that you redeem are actual savings.
