*** SIBLING PHOTO DIGITAL FILE \$50**

High resolution 300dpi file for printing. This will be emailed to you.

We love taking school photos and really look forward to meeting your child. We only take individual portraits of the children who have **pre-ordered** them, this means we can spend more time getting a great photo for families that want them.

Sibling photos are taken on the day and time that the **eldest sibling's class** is scheduled – the eldest sibling goes to get their younger brothers and sisters and brings them back to the hall for their photo.

Payment

We work on a prepay system. If you are not fully satisfied with your photos we offer a ten day 100% money back guarantee.

Please note there will be a \$10 handling fee for late orders.

We take time to encourage you child to relax and smile naturally. Alas we cannot take responsibility for unruly hair – please supply a hairbrush if this is an issue for you or your child.

Photos will be ready approximately six weeks after photo week, a reorder form will be enclosed.
