Cullyn Dickson (Kawakawa Class)

Dear Parents & Caregivers

It was great that with a break in the weather on Monday we were able to hold our school cross country races yesterday. Thank you to the family and whanau who came along to support our tamariki and to Matua Andre for his organisation of the event. Well done to all of our students for putting in such a great effort to complete the course. Some of our Year 4-6 students have now qualified for the Northern Zone Cross country event in term 3 and will be bringing home a letter soon with all the details. Results and photos from the Cross country are on the following page. Also check out the Te Kakano Cross Country video [here](#).

## Goal Setting Interviews—this week

Our Goal Setting interviews take place today and tomorrow after school. It's not too late to make a booking and you can do this by going to [parentinterviews.co.nz](http://parentinterviews.co.nz), clicking on 'book my interviews', entering the event code **NDCNU4WX** and click 'start my booking'.

**NEED HELP?** If you require any help, or would like the school office to make bookings on your behalf please come and visit us or call on 04 461 6900.

## Colour my World fun day—this Friday

To celebrate our 'Colour My World' Arts topic this term we are having a mufti day and fun day full of colour! Each class

has been given a special colour to wear, so students need to check out wardrobes and dress up boxes at home for a wig, hat, ribbon or scarf of their class colour. Even if you can't find much in your colour come dressed in bright colours for the day!

## Matariki Celebrations

Tena koutou e te Whanau o Te Rito o te Harakeke

We will be celebrating Matariki next week to mark the Maori New Year. Matariki signals growth. It's a time of change, a time to prepare, and a time of action. Matariki is a time to reflect, set new goals, a time to celebrate achievements and a time to appreciate what we have.

We will celebrate with storytelling, poetry, artwork, waiata, dance and of course kai.

All students will be sharing kai together in syndicates in Week 12, on Thursday 2 July at 1:00pm.

We ask each family to contribute by sending in a small plate of finger food with their child(ren) to celebrate Matariki. This can be brought to school in the morning to your child's classroom. Under the current circumstances where hygiene practises are at a heightened level we ask families to contribute food that is in individual servings (e.g. sandwiches, muffins, fruit) and does not require heating.

We look forward to celebrating this special time and thank you for your support with this.

Ka nui te mihi

Danielle Matthews  
Deputy Principal
