Te Pihi Swimming (2 weeks)

Thursday 10 December

1:30pm Year 6 prizegiving

Friday 11 December

Last day of school for the year

1:00pm finish

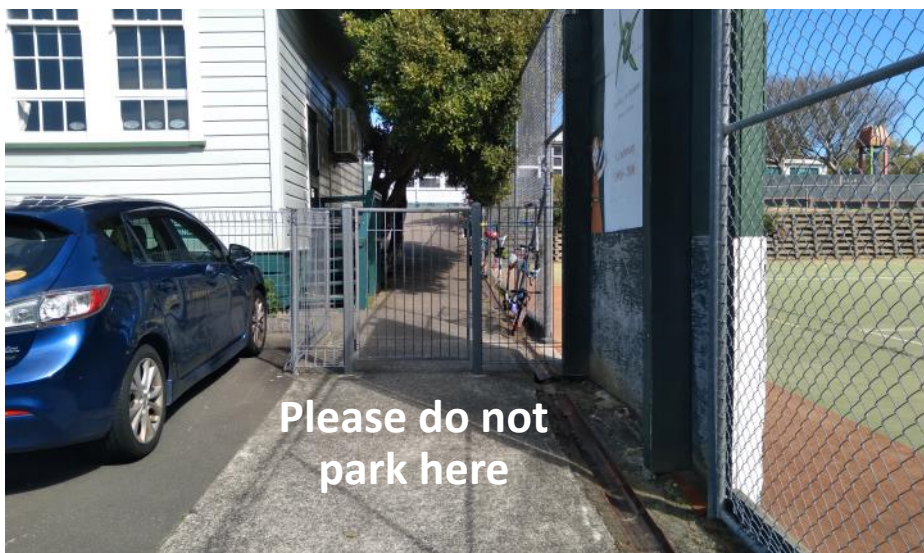

Dear Parents & Caregivers

Thank you to everyone who uses our drive entrance for how quickly they have adapted to our temporary fencing and using the single gate as entry. Students have done a great job of looking out for each other to make sure everyone gets through safely. Meetings with the Ministry of Education continue regarding our fencing and gate requirements, unfortunately this is not a quick issue to remedy.

## Parking at the top of the drive

While we would prefer that people didn't park at the top of our drive as there is such limited space we know that people do come up for quick drop offs and pickups outside of school hours. The area quickly becomes a hazard if there are no car parks available and cars need to reverse in a very tight space in order to drive back down the driveway again.

Please do not park in the space between the principal's park and the astroturf. This is not a parking space, it is the entrance to our school gate. Not only does this obstruct the entrance but yesterday afternoon a member of our school community who parked in this area scraped and dented a car that was appropriately parked. If anyone witnessed this event between 2-5pm please contact the school office.

## Term dates 2020 and 2021

Term dates for the rest of 2020 including teacher only days and public holidays are listed to the left under dates and reminders. Please take note of these dates, including our end of year finish date which is Friday 11 December.

[Click here](#) to view the 2021 term dates on our website. The start date for 2021 is Wednesday 3 February.

## Calendar Art - online ordering open now

This year we have a new system for viewing and ordering your child's calendar art, should you wish to purchase this.

[Coming home today with your child is an A4 sheet with information about how to order online.](#) On this information sheet is the kids art works website address and a unique entrance code for your child. This takes you to the ordering page which has your child's artwork displayed, making it easier for you to view your child's amazing art. Calendar Art is not on display at the office as it has been in previous years.

All payments are to be made online through the Kids Art works website and we cannot accept payments and orders at school. However if you would like assistance in placing an order online we are happy to help you with this. Please contact the office if you require help.

The online ordering is open now and you can place an order anytime up till the end of the holidays—Sunday 11 October.

## EPro8 Challenge Trials

The trials for EPro8 have begun. Here is the first group proudly displaying their efforts. The second group will begin their trial shortly. Four students from these two teams will be chosen to represent our school at the EPro8 challenge next term.
