

Out of Zone Enrolments 2023

Enrolment at Newlands Primary School is governed by an enrolment scheme, details of which are available from our website: <https://newlandsprimary.school.nz>

The School Board has determined that up to 10 places are likely to be available for out of zone students in 2023. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

In 2023 there will be four enrolment periods as follows:

Commencing Term 1 2023	Applications Close - 9:00am Friday 25 September 2022
Commencing Term 2 2023	Applications Close - 9:00am Friday 09 December 2022
Commencing Term 3 2023	Applications Close - 9:00am Friday 31 March 2023
Commencing Term 4 2023	Applications Close - 9:00am Friday 30 June 2023

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot. If a ballot for out of zone places is required, this will be held on the day of close off. Parents will be informed of the outcome of the ballot within three school days of the ballot being held. Details of how applications from out of zone students are processed are available on our school website (detailed above).

Parents of students who live within the home zone and intend enrolling their child at any time during 2023 should notify the school as soon as possible to assist the school to plan appropriately. Students who live in the home zone are entitled to enrol at the school at any time.

Enrolment packs are available from the school office:
